Hazard statements

Flammable liquid and vapor. May be fatal if swallowed and enters airways. Causes skin irritation. Causes serious eye irritation. Suspected of causing cancer. Suspected of damaging fertility or the unborn child. Causes damage to organs. May cause damage to organs through prolonged or repeated exposure

Precautionary statements

General:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not breathe dust/fumes/gas/mist/vapors/spray. Wash exposed and/or contaminated area thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection.

Response:

IF SWALLOWED: Immediately call a POISON CENTER or a doctor. IF ON SKIN: Wash with plenty of water and soap. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do continue rinsing. If exposed: Call a POISON CENTER or doctor/physician. Get medical advice/attention if you feel unwell. Move out of dangerous area. Consult a physician. Show this safety data sheet to the doctor in attendance. Do NOT induce vomiting. If eye irritation persists, get medical advice/attention.

Storage:

Store in a well-ventilated place. Keep cool. Store locked up.

3.1. Personal protective equipment (PPE)

Eye/face protection

Wear safety glasses. If splash potential exists, wear full face shield or chemical goggles.

Skin/hand/body protection

Wear chemical-resistant, impervious gloves. Full body suit and boots are recommended when handling large volumes or in emergency situations. Flame retardant protective clothing is recommended. Wear appropriate thermal protective clothing, when necessary.

Respiratory protection

Use a properly fitted, air-purifying or air-fed respirator complying with an approved standard if a risk assessment indicates this is necessary.
