

Safety Data Sheet

1.1. Product identifier

Ethylene Glycol

2.1. Classification of the substance or mixture

Acute toxicity (Oral): Category 4.

Specific target organ toxicity: Category 2 (kidney).

- repeated exposure

2.2. Label elements

Signal word

Danger

Symbols

Hazard statements

Harmful if swallowed. May cause damage to organs through prolonged or repeated exposure.

Precautionary statements

General:

Do not breathe dust/fume/gas/mist/vapours/spray. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product.

Response:

IF SWALLOWED: Do NOT induce vomiting. Immediately call a POISON CENTRE if you feel unwell. IF INHALED: if unconscious, place in recovery position and seek medical advice. SKIN CONTACT: wash with soapy water. EYE CONTACT: flush eyes with water as precaution, remove contact lenses, consult physician if symptoms persist.

Storage:

Store in a dry, well-ventilated place. Keep container tightly closed.

3.1. Personal protective equipment (PPE)

Eye/face protection

The following eye/face protection(s) are recommended: Tightly fitting safety goggles.

Skin/hand protection

Select and use gloves and/or protective clothing approved to relevant local standards to prevent skin contact based on the results of an exposure assessment.

Respiratory protection

General and local exhaust ventilation is recommended to maintain vapor exposures below recommended limits. Where concentrations are above recommended limits or are unknown, appropriate respiratory protection should be worn. Follow OSHA respirator regulations and use NIOSH/MSHA approved respirators.
