Hazard statements

Flammable liquid and vapour. May cause an allergic skin reaction. May be fatal if swallowed and enters airways.

Precautionary statements

General:

Harmful if swallowed. Extremely flammable gas. Extremely flammable aerosol. Contains gas under pressure, may explode if heated. Causes serious eye damage. Keep away from heat, sparks, open flames and hot surfaces - no smoking. Do not spray on an open flame or other ignition source. Wear protective gloves/protective clothing/eye protection/face protection. Wash thoroughly after handling. Protect from sunlight. Do not expose to temperatures exceeding 50° C / 122° F. Keep out of reach of children.

Response:

EYE CONTACT: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing. Immediately call a POISON CENTER or doctor/physician. IF INGESTED: Do not give anything by mouth to an unconscious person. Seek medical treatment. IF INHALED: Move person to fresh air. If breathing is labored, administer oxygen. If symptoms develop, obtain medical attention. SKIN CONTACT: Wash affected skin with soap and water. If symptoms develop, obtain medical attention.

Storage:

Keep in a cool, well-ventilated place. Store at temperatures not exceeding 50 °C / 122 °F. This product should be stored away from sources of strong heat or oxidizing chemicals.

3.1. Personal protective equipment (PPE)

Eye/face protection

Wear protective eyewear (goggles, face shield, or safety glasses).

Skin/hand protection

Wear suitable gloves if prolonged skin contact is likely (Nitrile rubber)

Respiratory protection

Normally no personal respiratory protection is necessary. In case of insufficient ventilation, wear suitable respiratory equipment.
